Recent Activity: The Tidewater Chinese School SCA hosted a movie night on Friday, March 13th! We watched Ne Zha 2. This film is a high-octane, action-packed reimagining of Chinese mythology that balances

humor, heartfelt, and fast-paced scenes with themes of defying destiny and self-acceptance. We had a lot of fun!

Chinese holidays that are celebrated in the month of March:

- Zhonghe Festival (March 20, 2026): celebrated on the 2nd day of the 2nd lunar month, marking the awakening of the dragon and the arrival of spring
