Volunteering at Operation Smile

Last Thursday evening, Tidewater Chinese School students and family members helped out at Operation Smile, making bracelets and superhero masks for children's 'smile bags.'

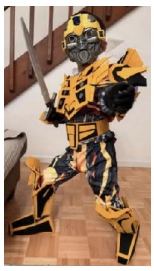

Operation Smile is an international nonprofit organization working with local communities to provide high-quality surgical care to children living with cleft lips or cleft palates. They also give medical training and mentorship to help expand the care of existing health infrastructure.

Before or after their surgery, patients receive 'smile bags' that can include mirrors, toys, cards, toothbrushes, or other care items wishing them a healthy recovery. The bracelets and masks made by TCS volunteers will be added to smile bags and sent to patients internationally! Operation Smile coordinators noted that children have especially liked the superhero masks, which help them feel strong and brave before undergoing life-changing operations.

Operation Smile 服务

上周四晚上，泰华德中文学校的学生和家长前往“微笑行动”（Operation Smile）参与志愿活动，为孩子们的“微笑礼包”制作手链和超级英雄面具。

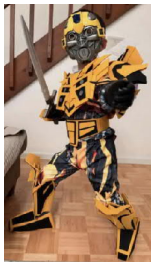

微笑行动是一家非营利组织，致力于与当地社区合作，为患有唇裂或腭裂的儿童提供高质量的手术治疗。此外，他们还提供医疗培训和指导，以帮助提升现有医疗基础设施的护理水平。

在手术前或手术后，小患者们都会收到一份“微笑礼包”，里面装有镜子、玩具、祝福卡、牙刷或其他护理用品，以此祝愿他们早日康复。由泰华德中文学校志愿者制作的手链和面具将被装入这些“微笑礼包”中，送往世界各地的患者手中！“微笑行动”的协调员表示，孩子们特别喜欢这些超级英雄面具，因为面具能让他们在经历改变一生的手术之前，感受到力量与勇气。
